

## *Day of Procedure Instructions*

---

### **Payment arrangements must be complete prior to surgery**

- Arrange for a driver to bring you to and from the laser vision appointment.
- Eat a normal meal before your appointment – no alcohol.
- Wear loose, casual clothing
- The excimer laser is extremely sensitive to odors of all kinds. The following guidelines must be followed by all occupants of the laser suite, including patients, family members, staff members, and anyone else present:

**NO** hairspray, scented mousse or gel.

**NO** perfumes, cologne, or scented body lotions.

- In addition, laser vision correction patients must abide by the following:

**NO** eye make-up either eye (due to the high microbial content of mascara, etc., it is important that the eye area be completely free of all cosmetics).

**NO** face make-up, including blush and scented facial creams.

**NO** earrings or facial jewelry.

- Expect to be at the Indiana LASIK Center approximately 1-3 hours.
- Please obtain your eye drop prescriptions from your local pharmacy prior to LASIK and bring them with you the day of your procedure.

### **ALL PATIENTS**

Please make certain to thoroughly clean the eyelids and surrounding areas well prior to your LASIK surgery.

Be especially careful to remove any makeup from the eyelashes and eyelids.

### **CONTACT LENS WEARERS**

Soft contacts- Please do not wear lenses during the 48 hours prior to your LASIK procedure.

Gas permeable or rigid contacts- Please do not resume wear prior to your LASIK procedure.
